21st CENTURY LOGIC MILLS PROGRAMME

To improve logical reasoning and verbal ability, 21st Century Programme was formally inaugurated for the students of STD IV on 15-06-2018. Mrs. Indra Jayaraj (Vice Principal, SHARPEN) accompanied the instructors Ms. Tippy & Mr. Lee (Logic Mills Team).

They shared and played games which caught the interest of the children. The entire session was fun filled and energetic with the students yearning to learn more.

TREE PLANTING AT MAMBAKKAM LAKE

The Secretary & Correspondent of the SBIOA Educational Trust, Dr. Thomas Franco Rajendra Dev, as part of his save environment initiative planted saplings along the mud bund of Mambakkam Lake on the day of his retirement. He motivated the children to plant trees in order to protect the natural water bodies. He explained how trees help in retaining rain water, recharge the ground water and increase soil fertility. The students of std IV- VI participated in the event. The event became a memorable one, as it was the last day of his office
